The Senior instructor, Mr. John Robinson, is a practical and experienced Teacher, having for the last ten years stood at the head of his profession in Europe, as the many flattering testimonials in his possession will show. William Robinson flatters himself that he is already favorably known in this region, as a teacher who has always been faithful in the discharge of duty, and successful in imparting instruction, and would, therefore throw himself upon his old patrons of Wayne, Lenoir, and Edgecombe-in which counties he has spent the last nine years-for a share of that patronage which they always so cheerfully bestowed upon

Mr. John Robinson will superintend the English, Mercantile, and Mathematical department, and give instruction in the Italian and French languages-also in instrumental music, if required. Vocal music will constitute a part of the daily exercises of the pupils

Mr. William Robinson will superintend the Classical department. They have built and fitted up a new School Room, and hope that their effort to establish a School of high literary merit in this rising and flourishing town, will not be in vain. They commence it on individual enterprise, and under the most discouraging circumstances, and rely upon the merits of the Institution alone for support.

The School is now in operation, and those who wish to avail themselves of its advantages, are requested to make no delay in entering, that the classes may be properly and advantageously organized.

IT HAS PERFORMED MORE THAN 15,000 CURES THIS YEAR

1,000 cures of Rheumatism.
1,000 cures of Dyspepsia;
2,500 cures of general debility, and want of nervous

energy;
3,000 Female complaints and over;
7,000 cures of diseases of the blood, vir:
Ulcers, Scrofula, Erysipelas, Salt Rueum, Pimples on the face, &c. &c., together with numerous cases of consumption, Liver Complaint, Spinal Affections, &c.
This, we are aware, must appear incredible, but we have letters from physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most resry cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known.

UNITED STATES OFFICER.—Cap. G. W. McLean, member of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate. It tells its own story: Rahway, January 25, 1847.

A year since I was taken with the influenza and my whole system left in a debilitated state. I was induced try Dr. Townsend's Sarsaparilla, and after taking two r three bottles I was very much relieved, and attributed it entirely to the said Sarsaparilla I have continued ta-king it, and find that I improve every day. I believe it saved my life, and would not be without it under any Consideration.

G. W. McLEAN.

The Epiror — John Jackson, Esq., Editor of the Rah way Republican, published the above certificate, and remarked in an editorial as follows:

The success of Dr. Townsend's preparation of Sarsa-

parilla appears to be of the most extraordinary character. We publish to-day two certificates in its behalf one from Capt. McLean, of this town, and one from Rev Mr. White, of Staten Island, a gentlemsn well known in Rahway.—Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like these would no praise so s rongly what they did not fully believe to deserve it.

SCROFULA CURED.—This certificate was handed in t Dr. Townsend's office this week, and conclusively prove that his Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in

one house is unprecedented. THREE CHILDREN. Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have aken only four botties; it took them away, for which I feel myself under deep obligation. Yours respectfully ISAAC W. CRAIN, 106 Wooster street. New York, March 1, 1847.

RHEUMATISM & THE PILES. Dr. Townsend-Dear Sir: My wife has been for seve ral years afflicted with rheumatism. She has tried ma ny different remedies to obtain some relief, but all to no purpose. She was finally induced, by seeing your advertisement, to give your Sarsaparilla a trial. We pro-cured some of it from your agent (Mr. Van Buskirk) and it gives me pleasure to state that after using it she expeienced great relief, and was in a very short time pe fectly cured. I was also (together with a man in my be moderate, and his table as good as the Market employ) badly troubled with piles, and by using a small uantity of your Sarsaparilla, our complaint was completely cured. I consider it one of the best of medicine and would advise all who are afficted to give it a trial GARRIT GARRABRANT, — 123 Market-st. Newark.

Clergymen and Physicians .- As well as thousands of others in all parts of the United States, are continualy sending certificates and informing us of the benefits | the Odd Fellow's School. derived from Dr. Townsend's Sarsaparilla. Dr. Townsend-Sir: Some time since you requested my opinion of the virtues of your compound Syrup of Sarsaparilla; I am now prepared to give it. I have used it in my practice and prescribed it for the last few menths, and musi give it my decided preference over atation on the East side of the Cape Fear nything of the kind with which I am acquainted, both eruptions generally, dyspepsia, indigestion, costive haeffects. In these complaints, or any other where scrofu la is indicated. I can with confidence recommend it the patronage of the profession as a valuable auxiliary for removing diseases in some of its most troubleson orms, and to ali, as a safe and valuable medicine Brooklyn, Nov. 21, 1846. Dr. Townsend-Dear Sir: I was taken, a little over year ago, with a severe cough and a pain in my side. ncreased on me very fast, indeed. I was pronounce y physicians to have the quick consumption. I raised arge quantities of bad matter, had night sweats, and sinking very fast: my doctor said he could do nothing for me. I went into the hospital in hope of being bene-fitted, but was pronounced the as incurable. I was now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die was confined to my bed, and was obliged to have watch ers; indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of rem edies, and all seemed to be to no purpose. I read of some most extrordinary cures performed by your me dicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it did so, and am very thankful I did. I cannot say the am entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and raise but very little, and am fast gaining my usual strength. GREAT FEMALE MEDICINE. Dr. Townsend's Sarsaparilla is sovereign and speedy cure for incipient consumption, barrenness, leucorrhœa whites, obstructed or difficult menstruation, incon tinence of urine, or involuntary discharge thereof, and for the general prostration of the system-no matter whether the result of the inherent causes, or produced irregularity, illness or accident. Nothing can be more surprising than its invigorating effects upon the human frame. Persons all weakness and lassitude before taking it, at once become robust

and full of energy under its influence. It immediately ounteracts the nervelessness of the female frame which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bettles of this invaluable medicine, have been blessed with healthy
